REMARKS:		
<p>As agreed in our telephone conversation today, I am enclosing a copy of the draft minutes of the PSB meeting on 11 September, which Mr. Becker attended. [REDACTED] did not feel that these minutes describe accurately what took place concerning agenda item three. Therefore, he dictated his version of the discussion (attached) and asked me to check it with you. Would you please let me have your concurrence of your own suggestion for a change in wording as soon as possible, so that we can prepare a reply to PSB for DCI's signature?</p>
